**ONE WEEK FIRE CONFERENCE (INDIA AND KENYA)**

During the course of the 6 month training school, a one week fire conference will be scheduled in. This would ideally be towards the second half of the training school.

## **PRACTICAL CONSIDERATIONS**

- i) In India and Africa this school could be held for Pastors every Wednesday for a full day (**4 sessions of 1 ½ hours**) or some other day that is suitable.
- ii) Pastors who have completed this course in India and Africa can then also hold this course for their own church members and for other Pastors who are located in their region.
- iii) In Australian churches this course could be held once a week on a suitable week night (**7.00 pm to 10.00 pm**) or on a Saturday morning (**9.00 am to 12 noon**) or afternoon from (**1.00 pm to 4.00 pm**), or even on a Sunday afternoon (**1.00 pm to 4.00 pm**) ***THESE ARE JUST SOME SUGGESTED TIMES***
- iv) By doing this course many of the laity in the local churches will be more empowered to minister in their workplaces and to their friends and relatives. Those Christians who attend this course would also gain a greater depth of faith, which would help them to walk victoriously in the times that we are now living in.
- v) In Australia, instead of having a one week fire conference, one weekend during the course of the six month training course would be scheduled in to hold this fire conference.

To know more about this training course, or how to best run this six months training course, please call Pastor Conrad Fenton on 0413 483 858. All manuals can be freely downloaded from our website: [www.coh.org.au](http://www.coh.org.au)

It is hoped that many Christian Leaders will download these free materials and run a six month Evangelism Training Course for their church and or network of pastors. It is also hoped that many Christians will download this material to better equip themselves for the ministry that God has given them.
